

*This will be on the online registration form and needs to be understood and agreed to prior to registering.*

The following conditions of entry incorporate our Covid-safety plan approved by Kahibah Sports Club management, so it is quite lengthy and detailed.

Most importantly agreeing to this will help us keep our fellow dancers, friends, family and the wider community as safe as practical and allow us to get back on the floor!

**\*\*Conditions of entry for course commencing 3rd March 2021\*\***

You will be required to do a venue QR checkin upon entering Kahibah Sports Club.

Electronic records of nightly attendance will also be kept at our front door by danceVibe, as per NSW Health requirement.

If you are new to danceVibe please bring some identification.

Temperature checks will occur upon entry to the dance room for all participants and staff.

No spectators are allowed in dance room due to limited numbers.

Please ensure 1.5m physical distancing where possible, including: at points of mixing or queuing, such as front door, toilets and entrance and exit points between seated groups, and ensure you generally adhere to club controlled seating set-up.

Any staff or students with flu-like symptoms or a temperature are asked to stay at home/not attend class.

No entry is permitted if you have visited a known hotspot, or if you have travelled overseas in the last 3 weeks.

Please note; by signing these conditions of entry you are agreeing that none of the three above apply to you and if they apply at any time during the course you agree to not attending.

**\*\*The same applies to anyone who has had contact with someone else\*\*** who has displayed flu like symptoms, or a temperature, visited a known hotspot, or if they have travelled overseas in the last 3 weeks.

No refunds will be provided for participants in the case of non-attendance for any reason other than us cancelling classes.

Credits for future classes will however be given if absence is due to genuine illness and/or all Covid-related issues, including exclusion as per above.

Couples wishing **\*to not rotate\*** need to **\*\*tick that option on danceconvention\*\*** when they register.

Rotations in class will occur for those who do not check that option, but rotations will occur less frequently than usual classes.

Sanitising of hands is mandatory on arrival and we recommend doing so on departure.

Students **\*\*must also sanitise between change of partners \*\*** in class **\*\*and\*\*** in practice time.

Please try to refrain from touching your face or another person's face.

During practice time we recommend two songs with each partner to minimise the frequency of partner changes.

Masks are recommended for all students, but not mandatory.

We strongly encourage all participants to show common courtesy and good hygiene by showering prior to attendance and putting on fresh clean clothes.

No gatherings are permitted outside the venue - e.g. carpark.

We suggest avoid hugging and making sure you sanitise between hand shakes as you would if changing partners.

Washing and sanitising hands is also required if you cough or sneeze in the hands or tissues.

We recommend NOT sneezing coughing in elbow as we use elbows as connection points in the dance and hands can be more easily washed and sanitised.

Please leave room if you know in advance you need to cough or sneeze.

Tissues will be available at front desk. Please dispose of used tissues in bins immediately.

If after attending a class, any student or team member who becomes unwell with flu-like symptoms or a temperature he or she should notify us \*\*& have a Covid test.\*\* \*\*We must be advised of the results as soon as known.\*\*

If you feel flu-like symptoms on the night please socially distance and advise us immediately.

If on the night anyone clearly appears to show flu like symptoms, they will be asked to leave. Credit for missed nights will be given to apply to future nights.

If a participant is asked to leave or leaves as a result of having flu-like symptoms or temperature they will be required to \*\*have a Covid test asap and advise us of results. \*\*

Bathrooms and touch points are cleaned and maintained by venue management in line with their own Covid management practices.

We recommend keeping mingling/crowding to a minimum. E.g. maintain 1.5 metres where practical and adhere to venue seating plan.

We recommend those who are in the Covid high risk categories ie : over 70, have a chronic illness or are immuno - deficient, to not attend class. If you do choose to attend, you agree that you will do so at your own risk.

danceVibe is not liable for any Covid out-breaks or any Covid-related issues.

As per venue request, we encourage all participants to bring their own water bottles. No glasses will be available at the water fountain.

We also recommend bringing your own sweat towels.

Contactless payment options are provided via danceconvention online registration. Pre-paid registrations only.

Air-conditioning will be on, but will not be on recirculating mode to maximise ventilation of fresh air.

Dance room doors will be open prior to class and during the night as required by venue.

In the unfortunate occurrence of a positive case of Covid amongst participants, NSW health will be immediately notified, as will all students.

Records must be also be provided as soon as possible, but within 4 hours, upon any request from an authorised officer of NSW Health.

Again, in the unlikely scenario where any classes need to be cancelled by us \*\*due to Covid-related issues\*\* we will provide unused credits to all participants and hold for future classes.

We maintain the right to cancel the course, including if minimum numbers aren't met- full refunds will be given only under these circumstances.

**\*\*Standard Student Declaration/Disclaimer: \*\***

While all due care will be taken by teachers, they cannot be responsible for improper execution of movement.

To help ensure no injury occurs, I agree to take full responsibility to warm up and adjust my practice according to my personal limitations.

The decision to perform any move remains mine alone.

I will take full responsibility for myself during the class and during the practice time.

I will also notify teachers before class begins of any injury, illness, or surgery, pregnancy which may affect my ability to perform and practice any of the moves.

Any additional practice I do, with or without the teachers present, is at my own risk.

I accept full responsibility for any injuries sustained to myself, or damage to my property during danceVibe attendance.

I release danceVibe from any legal liability.

I give consent for danceVibe staff to obtain medical assistance in the case of an emergency.

I agree to not provide instruction to other students in class or on the social floor without specific permission to do so.

I understand bullying or aggressive behaviour will not be tolerated.

Thanks for adjusting to the new normal.

We look forward to seeing you all back on the floor.

Adrian and the danceVibe team.
